This is my biggest rec- record, and, uh, it goes something like this. You know I can be found sitting all alone. If you can't come around, at least please telephone. Don't be cruel to a heart that 's true. Well, baby, if I made you mad for something that I might have said, please forget the past, the future looks bright ahead. Don't be cruel to a heart that 's true. I don't want no other love, baby, it 's just you I 'm thinking of. Don't make me feel this way. Come on over here and love me, you know what I want you to say. Don't be cruel to a heart that 's true. Why should we be apart? I really love you, baby, cross my heart. Well, let 's walk to the preacher and say,"I do."Then you 'll know you have me and I 'll know that I have you, too. Don't be cruel to a heart that 's true. But that train keeps a rollin ' on down to San Antone. When I was just a baby, my mama told me,"Son, always be a good boy, don't ever play with guns."But I shot a man in Reno just to watch him die. When I hear that whistle blowin ', I hang my head and cry. Swing it! I bet there 's rich folks eatin ' from a fancy dining car. They 're probably drinkin ' coffee and smokin ' big cigars. Well I know I had it comin ', I know I can't be free, but those people keep a movin ' and that 's what tortures me. Hit it, Joe! Yee-haw! Well, if they freed me from this prison, if that railroad train was mine, I bet I 'd move it on a little farther down the line, far from Folsom Prison, that 's where I want to stay. And I 'd let that lonesome whistle blow my blues away.

morning, they let me know you were gone. Suzanne, the plans we made put an end to you. I walked out on the morning and I wrote down this song, I just can't remember who to send it to. I 've seen fire and I 've seen rain. I 've seen sunny days that I thought would never end. I 've seen lonely times when I could not find a friend, but I always thought that I 'd see you again. Won't you look down upon me, Jesus? You got to help me to make a stand. You just got to see me through another day. My body 's aching and my time is at hand, and I won't make it any other way. I 've seen fire and I 've seen rain. I 've seen sunny days that I thought would never end. I 've seen lonely times when I could not find a friend, but I always thought that I 'd see you again. Been walking my mind to an easy time with my back turned towards the sun. Lord knows when the cold wind blows, it 'll turn your head around. There 's hours of time on the telephone line to talk about things to come. **Sweet** dreams and flying machines in pieces on the ground. Well now, I 've seen fire and I 've seen rain. I 've seen sunny days that I thought would never end. I 've seen lonely times when I could not find a friend, but I always thought that I 'd see you somehow one more time again now. I thought I 'd see you one more time again. There 's just a few things coming my way this time around. Oh now, I thought I 'd see you, I thought I 'd see you, fire and rain. Good evening, ladies and **gentlemen**. And I shall do for you first a song that I first recorded, number one, it was a fairly nice hit, and it went quite high in the American charts. The title of it is "Maybellene". Oh, Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. As I was motivatin ' over the hill, I saw Maybellene in a Coup de Ville. Cadillac rollin ' on open road, nothing outrun my V8 Ford. Cadillac doin ' about ninety-five, bumper to bumper, side by side. Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. Cadillac pulled up to a hundred and four, Ford got hot, wouldn't do no more. **Clouds** got dark, started to rain, blew my horn for the passing lane. Rain water blowin ' all under my hood, but I knew I was doing my motor good. Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. Ow! Oh, Maybellene, why can't you be true? Oh, Maybellene, why can't you be

true? You started back doing the things you used to do. Motor cooled down, the heat went down, that 's when I heard that highway sound. Cadillac sittin ' like a ton of lead, hundred and ten half a mile ahead. Cadillac look like sittin ' still, and I caught Maybellene at the top of the hill. Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do.

This opportunity comes once in a lifetime, you better The soul 's escaping through this hole that is gaping. This world is mine for the taking. Make me king, as we move toward a new world order. A normal life is boring, but super-stardom 's close to post mortem. It only grows harder, homie grows hotter. He blows, it 's all over, these hoes is all on him. Coast to coast shows, he 's known as the Globetrotter. Lonely roads, God only knows, he 's grown farther from home, he 's no father. He goes home and barely knows his own daughter. But hold your nose ' **cause** here goes the cold water. These hoes don't want him no more, he 's cold product. They moved on to the **next** schmoe who flows, he nose-dove and sold nada. So the soap opera is told and unfolds, I suppose it 's old partner, but the beat goes on, da-da-dum, da-dum, da-da. You better lose yourself in the music, the moment, you own it, you better never let it go. You only get one shot, do not miss your chance to blow. This opportunity comes once in a lifetime, you better lose yourself in the music, the moment, you own it, you better never let it go. You only get one shot, do not miss your chance to blow. This opportunity comes once in a lifetime, you better No more **games**, I 'm a change what you call rage. Tear this motherfuckin ' roof off like two dogs caged. I was playin ' in the beginning, the mood all changed. I been chewed up and spit out and booed off stage. But I kept rhymin ' and **stepped** right in the **next** cipher. Best believe somebody 's payin ' the Pied Piper. All the pain inside amplified by the fact that I can't get by with my nine to five and I can't provide the right type of life for my family, ' **cause**, man, these goddamn food stamps don't buy diapers. And there 's no movie, there 's no McMuyver, this is my life and these times are so hard. And it 's gettin ' even harder, tryna feed and water my seed, plus teeter-totter. Caught up between bein ' a father and a prima donna. Baby mama drama, screamin ' on her, too much for me to want to stay in one spot. Another day of monotony has gotten me to the point I 'm like a snail, I 've got to formulate a plot, or end up in jail or shot. Success is my only motherfuckin ' option, failure 's not. Mama, love you, but this trailer 's got to go, I cannot grow old in Salem 's Lot. So here I go, it 's my shot. Feet, fail me not, ' **cause** this may be the only opportunity that I got. You better lose yourself in the music, the moment, you own it, you better never let it go. You only get one shot, do not miss your chance to blow. This opportunity comes once in a lifetime, you better lose yourself in the music, the moment, you own it, you better never let it go. You only get one shot, do not miss your chance to blow. This opportunity comes once in a lifetime, you better You can do anything you set your mind to, man.

Right about now, you 're about to be possessed by the sounds of MC Rob Base and DJ E-Z Rock. Hit it! Woo! Yeah! Woo! Yeah! Woo! Yeah! Woo! Yeah! It **takes** two to make a thing go right. It **takes** two to make it outta sight. It **takes** two to make a thing go right. It **takes** two to make it outta sight. I wanna rock right now. I 'm Rob Base and I came to get down. I 'm not internationally known, but I 'm known to rock the microphone. Because I get stupid, I mean outrageous. Stay away from me if it 's contagious. ' **Cause** I 'm a winner, no, not a loser. To be an MC is what I choose-a. Ladies love me, **girls** adore me. I mean, even the ones who never saw me. Like the way that I rhyme at a show. The reason why, man, I don't know, so let 's go ' **cause** Woo! Yeah! Woo! Yeah! Woo! Yeah! Woo! Yeah! It **takes** two to make a thing go right. It **takes** two to make it outta sight. Won't neglect, but I will protect. All of my followers ' **cause** all I want is respect. I 'm not a boxer, but I 'm a rocker. A slick brother that can easily outfox ya. ' **Cause** I 'm Rob, the last name Base-ya. And on the mic, I 'm known to be the freshest. So let 's start, it shouldn't be too hard. I 'm not a sucker, so I don't need a bodyguard. I won't flex, wear a bulletproof vest. Don't smoke Buddha, can't stand sess, yes! Woo! Yeah! Woo! Yeah! Woo! Yeah! Woo! Yeah! It **takes** two to make a thing go right. It **takes** two to make it outta sight. It **takes** two to make a thing go right. It **takes** two to make it outta sight. Woo! Yeah! Woo! Yeah! Woo! Yeah! Woo! Yeah! ' **Cause** I 'm a leader, the man, superior. I **take** care of ya, and then you get worried-uh. So that 's it, my rhyme is not counterfeit. The record sells, this makes this one a hit. Don't cheer me, just hear me out ' **cause** I got the clout, shout! Before I turn the party out, I won't stutter, project my voice, speak clearly. So you can be my choice on stage or on record. Go to The Wiz and select it. **Take** it off the rack, then pack, put it back. I like the Whopper, the Big Mac. If you want static, so let 's go, so throw up your hands, don't **drop** what you know. Bro, I got an ego. Yo, **talking** to me? No, oh. ' Cause Rob is in the front, E-Z Rock is on the backup. We 're not soft, so you better just slack up ' **cause** I 'm **cool**, calm, just like a breeze. Rock the mic with the help of E-Z Rock on the set, the music play. Only cut the records that I say. Here 's Wonder Mike, Hank, and Master Gee, The Sugarhill Gang! I said a hip, hop, the hippie, the hippie to the hip hip hop and you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat. Now what you hear is not a test, I 'm rapping to the beat. And me, the groove, and my friends are gonna try to move your feet. See, I am Wonder Mike, and I 'd like to say hello. To the black, to the white, the red, and the brown, the purple and yellow. But first, I **gotta** bang-bang the boogie-to-the-boogie, say up jump the boogie to the bang-bang boogie, let 's rock, you don't stop, rock the rhythm that 'll make your body rock. Well, so far you 've heard my voice, but I brought two friends along. And **next** on the mic is my man Hank. Come on, Hank, sing that song. Check it out! Well, I 'm the imp, the dimple, the ladies pimp, the women **fight** for my delight, but I 'm the Grandmaster with the three MCs that shock the house for the young ladies. And when you come inside into the front, you do the Freak, specify, do the Bump, and when the sucker MCs try to prove a point, treacherous trio, oh, with the serious joint, from sun to sun and from day to day, I sit down and write a brand new rhyme. Well, they say that miracles never cease, I 've created a devastating masterpiece. I 'm gonna rock the mic ' til you can't resist. Everybody! I say it went like this, when I was coming home late one dark afternoon, reporter stopped me for an interview. She said she 's heard stories, she 's heard fables that I 'm vicious on the mic and the turntable. This young reporter I did adore, so I rocked a vicious rhyme like I never did before. She said, "Damn, fly guy, I 'm in love with you. The Casanova legend must have been true." I said, "By the way, baby, what 's your name?" She said, "I go by the name of Lois Lane. And you can be my boyfriend, you sure there can, just let me quit my boyfriend called Superman." I said, "He

's a fairy, I do suppose, flying through the air in pantyhose. He may be very sexy or even cute, but he looks like a sucker in a blue and red suit."I said,"You need a man who 's got finesse and his whole name across his chest. He may be able to fly all through the night, but can he rock a party ' til the early light? He can't satisfy you with his little worm, but I can bust you out with my super sperm."I go do it, I go do it, I go do it, do it, do it! And I 'm here, and I 'm there, I 'm Big Bank Hank, I 'm everywhere! Just throw your hands up in the air and party hard like you just don't care! Let 's do it! Don't stop, y'all! A tick-a-tock, y'all! You don't stop! Go hotel, motel, and what you gonna do today? I 'm gonna get a fly **girl**, gonna get some spank and **drive** off in a deaf OJ. Everybody go hotel, motel, Holiday Inn! You see, if your **girl** starts **acting** up, then you **take** her friend. I say,"Skip, dive, what can I say? I can't fit them all inside my OJ, so I just **take** half and bust them out, I give the rest to Master Gee so he can shock the house."I said a M-A-S, T-E-R, a G with a double E. I said I go by the unforgettable name of the man they call Master Gee. Well, my name is known all over the world by all the foxy ladies and the pretty **girls**. I 'm going down in history as the best rapper that ever could be. Now you 're feeling the highs and you 're feeling the lows, the beat starts getting into your toes. You start popping your fingers and tapping your feet, and moving your body while you 're sitting in your seat, and then damn, you start doing the freak, I said bam, right out of your seat, then you throw your hands high in the air, you 're rocking to the beat like you just don't care, you 're rocking to the beat without a care, with the sure-shot MCs for the affair. Now I 'm not as tall as the rest of the gang, but I rap to the beat just the same. I got a little face and a pair of brown eyes, all I 'm here to do, ladies, is hypnotize. I sing on and on and on and on and on, the beat don't stop ' til the break of dawn. I sing on and on and on and on and on, like a hot buttered pop, da pop-pop, pop-pop, dibbie-dibbie pop, da pop-pop, pop, you don't dare stop, come alive, y'all, gimme what you got. I guess by now you can **take** a hunch and find that I am the baby of the bunch, but that 's **okay**, I 'll still keep it strong, ' **cause** all I 'm here to do is just wiggle your behind, sing on and on and on and on and on, the beat don't stop ' til the break of dawn. Sing on and on and on and on and on, right rock, y'all, get on the floor, I 'm gonna freak your head, I 'm gonna freak you there, I 'm gonna move you out of this atmosphere, ' **cause** I 'm one of a kind and I 'll shock your mind, I put the tick-tick-tick in your behind. I said 1, 2, 3, 4, come on, **girls**, get on the floor, come alive, y'all, gimme what you got, ' **cause** I 'm guaranteed to make you rock. I said 1, 2, 3, 4, tell me Wonder Mike, what are you waiting for? I said a hip, hop, the hippie to the hippie to the hip hip hop, and you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat. Skiddlee-bee-bop, we rock Scooby-Doo, and guess what, America, we love you. ' **Cause** you rock and you roll with so much soul, you can rock ' til you 're hundred and one years old. I don't mean to brag, I don't mean to boast, but we 're like hot butter on a breakfast toast. Rock it out, a-baby-bubba, bop-bop-a-bubba to the boogie-the-bang-bang, the boogie-to-the-beat, beat, it 's so unique, come on, everybody, and dance to the beat. Have you ever went over a friend 's house to eat and the food just ain't no good? I mean the macaroni 's soggy, the peas are mush, and the chicken tastes like wood. So you try to play it off like you think you can by saying that you 're full, and then your friend says"Mama, he 's just being polite, he ain't ate a thing, that 's bull."So your heart starts pumping and you think of a lie and you say that you **already** ate, and your friend says"Man, there 's plenty of food,"so he piles some more on your plate. Well the stinky food 's steaming and your mind starts to dreaming of the moment it 's time to leave, and then you look at your plate and your chicken 's fully rotten into something that looks

like cheese. So you say "That 's it, I **gotta** leave this place, I don't care what these people think. I 'm just sitting here making myself nauseous with this ugly food that stinks." So you bust out the door while it 's still close-still sick from the food you ate, and then you run to the store for **quick** relief from a bottle of Kaopectate. And then you call your friend a week or two later to see how he has been, and he says "I understand about the food, babe, but bubba, we 're still friends." Well, the hip, hop, the hippie to the hippie to the hip hip hop, you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat.

Oh my God, Becky, look at her butt. It is so big. She looks like one of those rap guys ' girlfriends. Who understands those rap guys? They only **talk** to her because she looks like a total prostitute, **okay**? I mean, her butt, it 's just so big. I can't believe it 's just so round, it 's like out there. I mean, gross. Look, she 's just so black. I like big butts and I cannot lie! You other brothers can't deny, that when a **girl** walks in with an itty bitty waist and a round thing in your face you get sprung! Want to pull up tough, ' **cause** you notice that butt was stuffed. Deep in the jeans she 's wearing, I 'm hooked and I can't stop staring. Oh, baby, I wanna get with ya, and **take** your picture. My homeboys tried to warn me, but that butt you got makes me so horny! Ooh, Rump-o'-smooth-skin, you say you wanna get in my Benz? Well, use me, use me, ' **cause** you ain't that average groupie. I see her dancin ' , to hell with romancin ' . She 's sweat, wet, got it goin ' like a Turbo-Vet. I 'm tired of magazines, sayin ' flat butts are the thing. Ask the average black man and ask him that, she **gotta** pack much back. So fellas! Yeah! Fellas! Yeah! Has your girlfriend got the butt? Hell yeah! Shake it, shake it, shake it, shake it, shake that healthy butt! Baby got back! L.A. face with the Oakland booty. Baby got back! L.A. face with the Oakland booty. L.A. face with the Oakland booty. I like ' em round and big, and when I 'm throwin ' a gig I just can't help myself, I 'm actin ' like an animal. Now here 's my scandal : I wanna get ya home, and uh, double up, uh, uh. I ain't talkin ' ' bout Playboy, ' **cause** silicone parts are made for toys. I want ' em **real**, thick and juicy. So find that juicy double, Mix-A-Lot 's in trouble, beggin ' for a piece of that bubble. So I 'm lookin ' at rock videos, knock-knee bimbos walkin ' like hoes. You can have them bimbos, I 'll keep my women like FloJo. A word to the thick soul sisters, I wanna get with ya. I won't cuss or hit ya, but I **gotta** be straight when I say I wanna... till the break of dawn. Baby got it goin ' on. A lot of simps won't like this song, ' **cause** them punks like to hit it and quit it. And I 'd rather stay and play, ' **cause** I 'm long and I 'm strong, and I 'm down to get the friction on. So ladies! Yeah! Ladies! Yeah! Do you wanna roll my Mercedes? Yeah! Turn around, stick it out, even white boys got to shout : Baby got back! Baby got back! Yeah, baby. When it comes to females, Cosmo ain't got nothin ' to do with my selection. 36-24-36? Haha, only if she 's 5'3". So your girlfriend rolls a Honda, playin ' workout tapes by Fonda. But Fonda ain't **got** a motor in the back of her Honda. My anaconda don't want none unless you got buns, hun. You can do side bends or sit-ups, but please don't lose that butt. Some brothers wanna play that hard role and tell you that the butt ain't gold, so they toss it, and leave it, and I pull up **quick** to retrieve it. So Cosmo says you 're fat, well I ain't down with that! ' **Cause** your waist is small and your curves are kickin ' , and I 'm thinkin ' ' bout stickin ' . To the beanpole dames in the magazines, you ain't it, Miss Thing. Give me a sista I can't resist her, red beans and rice didn't miss her. Some knucklehead

tried to dis, ' **cause** his **girls** are on my list. He had **game**, but he chose to hit ' em, and I pull up **quick** to get with ' em. You know when you were singing there, I was thinking years and years ago, when my daughter was going to UCLA, I called up your father, Frank, and asked him if he 'd go over to UCLA and appear at an affair for her. And Frank has often told me that she was standing there reading, you know, doing her lessons, standing under a lamp on the campus when he showed up. And now here tonight I 'm introducing you and... But first, I gotta bang-bang the boogie-to-the-boogie, say up jump the boogie to the bang-bang boogie, let 's rock, you don't stop, rock the rhythm that 'll make your body rock. Well, so far you 've heard my voice, but I brought two friends along. And next on the mic is my man Hank. Come on, Hank, sing that song. Check it out! Well, I 'm the imp, the dimp, the **ladies** pimp, the women fight for my delight, but I 'm the Grandmaster with the three MCs that shock the house for the young **ladies**. And when you come inside into the front, you do the Freak, specify, do the Bump, and when the sucker MCs try to prove a point, treacherous trio, oh, with the serious joint, from sun to sun and from day to day, I sit down and write a brand new rhyme. Well, they say that miracles never cease, I 've created a devastating masterpiece. I 'm gonna rock the mic ' til you can't resist. Everybody! I say it went like this, when I was coming home late one dark afternoon, reporter stopped me for an interview. She said she 's heard stories, she 's heard fables that I 'm vicious on the mic and the turntable. This young reporter I did adore, so I rocked a vicious rhyme like I never did before. She said, "Damn, fly guy, I 'm in love with you. The Casanova legend must have been true." I said, "By the way, baby, what 's your name?" She said, "I go by the name of Lois Lane. And you can be my boyfriend, you sure there can, just let me quit my boyfriend called Superman." I said, "He 's a fairy, I do suppose, flying through the air in pantyhose. He may be very **sexy** or even cute, but he looks like a sucker in a blue and red suit." I said, "You need a man who 's got finesse and his whole name across his chest. He may be able to fly all through the night, but can he rock a party ' til the early light? He can't satisfy you with his little worm, but I can bust you out with my super sperm." I go do it, I go do it, I go do it, do it, do it! And I 'm here, and I 'm there, I 'm Big Bank Hank, I 'm everywhere! Just throw your hands up in the air and party hard like you just don't care! Let 's do it! Don't stop, y'all! A tick-a-tock, y'all! You don't stop! Go hotel, motel, and what you gonna do today? I 'm gonna get a fly girl, gonna get some spank and drive off in a deaf OJ. Everybody go hotel, motel, Holiday Inn! You see, if your girl starts acting up, then you take her friend. I say, "Skip, dive, what can I say? I can't fit them all inside my OJ, so I just take half and bust them out, I give the rest to Master Gee so he can shock the house." I said a M-A-S, T-E-R, a G with a double E. I said I go by the unforgettable name of the man they call Master Gee. Well, my name is known all over the world by all the foxy **ladies** and the pretty girls. I 'm going down in history as the best rapper that ever could be. Now you 're feeling the highs and you 're feeling the lows, the beat starts getting into your toes. You start popping your fingers and tapping your feet, and moving your body while you 're sitting in your seat, and then damn, you start doing the freak, I said bam, right out of your seat, then you throw your hands high in the air, you 're rocking to the beat like you just don't care, you 're rocking to the beat without a care, with the sure-shot MCs for the affair. Now I 'm not as tall as the rest of the gang, but I rap to the beat just the same. I got a little face and a pair of brown eyes, all I 'm here to do, **ladies**, is hypnotize. I sing on and on and on and on and on, the beat don't stop ' til the break of dawn. I sing on and on and on and on and on, like a hot buttered pop, da pop-pop, pop-pop, dibbie-dibbie pop, da pop-pop, pop, you don't dare stop, come alive, y'all, gimme what you got. I guess by now you can take a hunch and find that I am the baby of the bunch, but that 's okay, I 'll still keep it strong, ' cause all I 'm here to do is just wiggle your behind, sing on and on and on and on and on, the beat don't stop ' til the break of dawn. Sing on and on and on and on and on, right rock, y'all, get on the floor, I 'm gonna freak your head, I 'm gonna freak you there,

Rock it out, a-baby-bubba, bop-bop-a-bubba to the boogie-the-bang-bang, the boogie-to-the-beat, beat, it 's so unique, come on, everybody, and dance to the beat. Have you ever went over a friend 's house to eat and the food just ain't no good? I mean the macaroni 's soggy, the peas are mush, and the chicken tastes like wood. So you try to play it off like you think you can by saying that you 're full, and then your friend says "Mama, he 's just being polite, he ain't ate a thing, that 's bull." So your heart starts pumping and you think of a lie and you say that you already ate, and your friend says "Man, there 's plenty of food," so he piles some more on your plate. Well the stinky food 's steaming and your mind starts to dreaming of the moment it 's time to leave, and then you look at your plate and your chicken 's fully rotten into something that looks like cheese. So you say "That 's it, I gotta leave this place, I don't care what these people think. I 'm just sitting here making myself nauseous with this ugly food that stinks." So you bust out the door while it 's still close-still **sick** from the food you ate, and then you run to the store for quick relief from a bottle of Kaopectate. And then you call your friend a week or two later to see how he has been, and he says "I understand about the food, babe, but bubba, we 're still friends." I had to let you know that I got a crush on you. Hey yo shorty, won't you go get a bag of the leak-through? I 'll be undressed in the bra all see-through. While you count your juice thinking I 'm gonna cheat you. The only one thing I wanna do is freak you. Keep the stone sets, I got my own baguettes. And I 'll be doing things that you won't regret. Lil ' Kim the Queen Bee, so you best take heed. Shall I proceed? Yes indeed. I 'm gonna throw shade if I can't get

I even dig your man style, but I love your profile. Whisper in your ear and get you all shook up. But don't blush, just keep this on the hush. I know you see me on the video. True. Only one plan, that 's to rise to the top. I told you before when I first pursued. I want an interlude in the nude. You know I love the way you fill up. Sipping my tequila. From the Dilla, full length chinchilla. Heated up the clutch, driving 50 Deluxe. Then we speed down the Hutch, breaking tree in a Dutch. I 'm not the one you sleep with to eat quick. Want a cheap **chick**? Better go down to Freaknik. You got to hit me off, buy this girl gifts of course. So I look **sick** in my 6 with my Christian Lacroix. I know you see me on the video. True. But now look, we have two minutes left, and you all know good and well what we can do with two minutes. Okay? You 're the fucking best. All right? Now let 's make magic happen. You the, you the best. Early one morning the sun was shining I was laying in bed Wondering if she 'd changed it all if her hair was still red Her folks, they said our lives together sure was gonna be rough They never did like Mama 's homemade **dress**, Papa 's bankbook wasn't big enough And I was standing on the side of the road, rain falling on my shoes Heading off for the East Coast, Lord knows I 've paid some dues getting through Tangled up in blue She was married when we first met, soon to be divorced I helped her out of a jam, I guess, but I used a little too much force We drove that car as far as we could, abandoned it out West Split up on a dark sad night, both agreeing it was best And she turned around to look at me as I was walking away I heard her say over my shoulder,"We 'll meet again someday on the avenue"Tangled up in blue I had a job in the Great North Woods working as a cook for a spell But I never did like it all that much and one day the axe just fell So I drifted down to New Orleans, where I was lucky to be employed Working for a while on a fishing boat right outside of Delacroix But all the while I was alone, the past was close behind I 've seen a lot of women, but she never escaped my mind and I just **grew** Tangled up in blue She was working in a topless place and I stopped in for a beer I just kept looking at the side of her face in the spotlight so clear And later on when the crowd thinned out, I

was just about to do the same She was standing there in back of my chair, said to me, "Don't I know your name?" I muttered something underneath my breath, she studied the lines of my face I must admit to a little unease when she bent down to tie the laces of my shoes Tangled up in blue She lit a burner on the stove and offered me a pipe "I thought you 'd never say hello," she said, "you look like the silent type" And she opened up a book of poems and handed it to me Written by an Italian poet from the thirteenth century And every one of them words rang true and glowed like burning coal Pouring off of every page like it was written in my soul for me and you Tangled up in blue I lived with them on Montague Street in a basement downstairs There was music in the cafes at night and revolution in the air And he started into dealing with slaves and something inside of him died She had to sell everything she owned and froze up inside And when it finally bottom fell out, I became withdrawn The only thing I knew how to do was to keep on keeping on like a bird that flew Tangled up in blue So now I 'm going back again, I got to get to her somehow All the people we used to know, they 're an illusion to me now Some are mathematicians, some are carpenters ' wives Don't know how it all got started, don't know what they 're doing with their lives But me, I 'm still on the road, heading for another joint We always felt the same, we just saw it from a different point of view Tangled up in blue

To have a girl like her is truly a dream come true. Out of all the fellas in the world, she belongs to you. But it was just my imagination running away with me. It was just my imagination running away with me. Every night on my knees I pray, "Dear Lord, hear my plea. Don't ever let another take her love from me or I would surely die." Heavenly, when her arms enfold me, I hear a tender rhapsody. But in reality, she doesn't even know me. Once again, running away with me. Tell you it was just my imagination running away with me. I'll never, never lose her, I can't forget her. Ooh, yeah, yeah, yeah, yeah. Running away with me. Tell you it was just my imagination running away. Running away with me.

Early one morning the sun was shining I was laying in bed Wondering if she 'd changed it all if her hair was still red Her folks, they said our lives together sure was gonna be rough They never did like Mama 's homemade dress, Papa 's bankbook wasn't big enough And I was standing on the side of the road, rain falling on my shoes Heading off for the East Coast, Lord knows I 've paid some dues getting through Tangled up in blue She was married when we first met, soon to be divorced I helped her out of a jam, I guess, but I used a little too much force We drove that car as far as we could, abandoned it out West Split up on a dark sad night, both agreeing it was best And she turned around to look at me as I was walking away I heard her say over my shoulder, "We 'll meet again someday on the avenue" Tangled up in blue I had a **job** in the Great North Woods working as a cook for a spell But I never did like it all that much and one day the axe just fell So I drifted down to New Orleans, where I was lucky to be employed Working for a while on a fishing boat right outside of Delacroix But all the while I was alone, the past was close behind I 've seen a lot of women, but she never escaped my mind and I just grew Tangled up in blue She was working in a topless place and I stopped in for a beer I just kept looking at the side of her face in the spotlight so clear And later on when the crowd thinned out, I was just about to do the same She was standing there in back of my chair, said to me, "Don't I know your name?" I muttered something underneath my breath, she studied the lines of my face I must admit to a little unease when she bent down to tie the laces of my shoes Tangled up in blue She lit a burner on the stove and offered me a pipe "I thought you 'd never say hello," she said, "you look like the silent type" And she opened up a book of poems and handed it to me Written by an Italian poet from the thirteenth century And every one of them words rang true and glowed like burning coal Pouring off of every page like it was written in my soul for me and you Tangled up in blue I lived with them on Montague Street in a basement downstairs There was music in the cafes at night and revolution in the air And he started into dealing with slaves and something inside of him died She had to sell everything she owned and froze up inside And when it finally bottom fell out, I became withdrawn The only thing I knew how to do was to keep on keeping on like a bird that flew Tangled up in blue So now I 'm going back again, I got to get to her somehow All the people we used to know, they 're an illusion to me now Some are mathematicians, some are carpenters ' wives Don't know how it all got started, don't know what they 're doing with their lives But me, I 'm still on the road, heading for another joint

We always felt the same, we just saw it from a different point of view Tangled up in blue

where 's your picket fence love? And where 's that shiny car? Did it ever get
you far? You never seemed so tense, though I 've never seen you fall so hard
Do you know where you are? Truth be told, I miss you Truth be told, I 'm lying
When you see my face, I hope it gives you hell, I hope it gives you hell When you
walk my way, I hope it gives you hell, I hope it gives you hell If you find a man
that 's worth a damn and treats you well Then he 's a fool, you 're just as well,
I hope it gives you hell I hope it gives you hell Tomorrow you 'll be thinking to
yourself Yeah, where did it all go wrong? But the list goes on and on Truth be
told, I miss you Truth be told, I 'm lying When you see my face, I hope it gives
you hell, I hope it gives you hell When you walk my way, I hope it gives you hell,
I hope it gives you hell If you find a man that 's worth a damn and treats you
well Then he 's a fool, you 're just as well, I hope it gives you hell Now you 'll
never see what you 've done to me You can take back your memories, they 're
no good to me And here 's all your lies, you can look me in the eyes With the
sad, sad look that you wear so well When you see my face, I hope it gives you
hell, I hope it gives you hell When you walk my way, I hope it gives you hell, I
hope it gives you hell When you find a man that 's worth a damn and treats you
well Then he 's a fool, you 're just as well, I hope it gives you hell When you
see my face, I hope it gives you hell, I hope it gives you hell When you walk my
way, I hope it gives you hell, I hope it gives you hell When you hear this song,
you sing along, well, you 'll never tell And you 're the fool, I 'm just as well, I

Don't touch anything, I 'll be right back. And I know it 's a good song, and I mean, it 's got to be a good movie, they even got jackets. Gonzo, show them the jacket. Check this out, for real. Here it is, the moment you 've been waiting for, from the big smash hit movie, our latest single, The Power of Love. The power of love is a curious thing. Make a one man weep, make another man sing. Change a hawk to a little white dove. More than a feeling, that 's the power of love. Tougher than diamonds, rich like cream. Stronger and harder than a bad girl 's dream. Make a bad one good, make a wrong one right. Power of love 'll keep you home at night. You don't need money. Don't take fame. Don't need no credit card to ride this train. It 's strong and it 's sudden and it 's cruel sometimes, but it might just **save** your life. That 's the power of love. That 's the power of love. First time you feel it, it might make you **sad**. Next time you feel it, it might make you mad. But you 'll be glad, baby, when you found that 's the power makes the world go round. And it don't take money, don't take fame, don't need no credit card to ride this train. It 's strong and it 's sudden and it can be cruel sometimes, but it might just **save** your life. They say that all in love is fair. Yeah, but you don't care. But you know what to do when it gets hold of you and with a little help from above, you feel the power of love. You feel the power of love. Can you feel it? Mm-hmm. You don't take money, don't take fame, don't need no credit card to ride this train. Tougher than diamonds and stronger than steel. I have this thing where I get older, but just never wiser
 Midnights become my afternoons
 When my depression works the graveyard shift
 All of the people I 've ghosted stand there in the room
 I should not be left to my own devices
 They come with prices and vices
 I end up in crisis
 Tale as old as time I **wake** up screaming from dreaming
 One day I 'll watch as you 're leaving ' Cause you got tired of my scheming
 For the last time It 's me, hi I 'm the problem, it 's me
 At tea time, everybody agrees I 'll stare directly at the sun, but never in the mirror
 It must be exhausting always rooting for the anti-hero
 Sometimes I feel like everybody is a sexy baby
 And I 'm a monster on the hill
 Too big to hang out, slowly lurching toward your favorite city
 Pierced through the heart, but never killed
 Did you hear my covert narcissism
 I disguise as altruism
 Like some kind of congressman?
 Tale as old as time I **wake** up screaming from dreaming
 One day I 'll watch as you 're leaving

 be more than just friends I know you think that we move too soon, it would
 all end I live in misery when you 're not around And I won't be satisfied ' til I
 take in those bounds There 'll be some lovemaking, heartbreaking, soul-shaking
 Lovemaking, heartbreaking, soul-shaking What 's it gonna be? ' Cause I can't
 pretend Don't you wanna be more than friends? Hold me tight and don't let
 go, don't let go Have the right to lose control Don't let go I often fantasize the
 stars above watching They know my heart beats for yours like only lovers do
 If I could wear your clothes, I 'd pretend I was you and lose control There 'll
 be some lovemaking, heartbreaking, soul-shaking Lovemaking, heartbreaking,
 soul-shaking What 's it gonna be? ' Cause I can't pretend Don't you wanna be
 more than friends? Hold me tight and don't let go, don't let go Have the right to
 lose control Don't let go Running in and out of my life Has got me so confused
 You got to make the sacrifice Somebody 's got to **choose** We can make it if we
 try For the sake of you and I Together we can make it right What 's it gonna
 be? ' Cause I can't keep running in and out of my life, out of my life, out of my
 life, yeah Don't you wanna be more than friends? Hold me tight and don't let
