I said a **hip**, hop, the hippie, the hippie to the **hip hip** hop and you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat. Now what you hear is not a test, I 'm rapping to the beat. And me, the groove, and my friends are gonna try to move your feet. See, I am Wonder Mike, and I 'd like to say hello. To the black, to the white, the red, and the brown, the purple and yellow. But first, I **gotta** bang-bang the boogie-to-the-boogie, say up jump the boogie to the bang-bang boogie, let 's rock, you don't stop, rock

the rhythm that 'll make your body rock. Well, so far you 've heard my voice, but I brought two friends along. And **next** on the mic is my man Hank. Come on, Hank, sing that song. Check it out! Well, I 'm the imp, the dimp, the **ladies** pimp, the women **fight** for my delight, but I 'm the Grandmaster with the three MCs that shock the house for the young **ladies**. And when you come inside into the front, you do the Freak, specify, do the Bump, and when the sucker MCs try to prove a point, treacherous trio, oh, with the serious joint, from sun to sun and from day to day, I sit down and write a brand new rhyme. Well, they say that miracles never cease, I 've created a devastating masterpiece. I 'm gonna rock the mic ' til you can't resist. Everybody! I say it went like this, when I was coming home late one dark afternoon, reporter stopped me for an interview. She said she 's heard stories, she 's heard fables that I 'm vicious on the mic and the turntable. This young reporter I did adore, so I rocked a vicious rhyme like I never did before. She said, "Damn, fly guy, I 'm in love with you. The Casanova legend must have been true." I said, "By the way, baby, what 's your name?" She said, "I go by the name of Lois Lane. And you can be my boyfriend, you sure there can, just let me quit my boyfriend called Superman." I said, "He 's a fairy, I do suppose, flying through the air in pantyhose. He may be very sexy or even cute, but he looks like a sucker in a blue and red suit." I said, "You need a man who 's got finesse and his whole name across his chest. He may be able to fly all through the night, but can he rock a party ' til the early light? He can't satisfy you with his little worm, but I can bust you out with my super sperm." I go do it, I go do it, I go do it, do it, do it! And I 'm here, and I 'm there, I 'm Big Bank Hank, I 'm everywhere! Just throw your hands up in the air and party hard like you just don't care! Let 's do it! Don't stop, y'all! A tick-a-tock, y'all! You don't stop! Go hotel, motel, and what you gonna do today? I 'm gonna get a fly **girl**, gonna get some spank and **drive** off in a deaf OJ. Everybody go hotel, motel, Holiday Inn! You see, if your **girl** starts **acting** up, then you **take** her friend. I say, "Skip, dive, what can I say? I can't fit them all inside my OJ, so I just **take** half and bust them out, I give the rest to Master Gee so he can shock the house." I said a M-A-S, T-E-R, a G with a double E. I said I go by the unforgettable name of the man they call Master Gee. Well, my name is known all over the world by all the foxy **ladies** and the pretty **girls**. I 'm going down in history as the best rapper that ever could be. Now you 're feeling the highs and you 're feeling the lows, the beat starts getting into your toes. You start popping your fingers and tapping your feet, and moving your body while you 're sitting in your seat, and then damn, you start doing the freak, I said bam, right out of your seat, then you throw your hands high in the air, you 're rocking to the beat like you just don't care, you 're rocking to the beat without a care, with the sure-shot MCs for the affair. Now I 'm not as tall as the rest of the gang, but I rap to the beat just the same. I got a little face and a pair of brown eyes, all I 'm here to do, **ladies**, is hypnotize. I sing on and on and on and on and on, the beat don't stop ' til the break of dawn. I sing on and on and on and on and on, like a hot buttered pop, da pop-pop, pop-pop, dibbie-dibbie pop, da pop-pop, pop, you don't dare stop, come alive, y'all, gimme what you got. I guess by now you can **take** a hunch and find that I am the baby of the bunch, but that 's **okay**, I 'll still keep it strong, ' **cause** all I 'm here to do is just wiggle your behind, sing on and on and on and on and on, the beat don't stop ' til the break of dawn. Sing on and on and on and on and on, right rock, y'all, get on the floor, I 'm gonna freak your head, I 'm gonna freak you there, I 'm gonna move you out of this atmosphere, ' **cause** I 'm one of a kind and I 'll shock your mind, I put the tick-tick-tick in your behind. I said 1, 2, 3, 4, come on, **girls**, get on the floor, come alive, y'all, gimme what you got, ' **cause** I 'm guaranteed to make you rock. I said 1, 2, 3, 4, tell me Wonder Mike, what are

you waiting for? I said a **hip**, hop, the hippie to the hippie to the **hip hip** hop, and you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat. Skiddlee-bee-bop, we rock Scooby-Doo, and guess what, America, we love you. ' **Cause** you rock and you roll with so much soul, you can rock ' til you 're hundred and one years old. I don't mean to brag, I don't mean to boast, but we 're like hot butter on a breakfast toast. Rock it out, a-baby-bubba, bop-bop-a-bubba to the boogie-the-bang-bang, the boogie-to-the-beat, beat, it 's so unique, come on, everybody, and dance to the beat. Have you ever went over a friend 's house to eat and the food just ain't no good? I mean the macaroni 's soggy, the peas are mush, and the chicken tastes like wood. So you try to play it off like you think you can by saying that you 're full, and then your friend says "Mama, he 's just being polite, he ain't ate a thing, that 's bull." So your heart starts pumping and you think of a lie and you say that you **already** ate, and your friend says "Man, there 's plenty of food," so he piles some more on your plate. Well the stinky food 's steaming and your mind starts to dreaming of the moment it 's time to leave, and then you look at your plate and your chicken 's fully rotten into something that looks like cheese. So you say "That 's it, I **gotta** leave this place, I don't care what these people think. I 'm just sitting here making myself nauseous with this ugly food that stinks." So you bust out the door while it 's still close-still sick from the food you ate, and then you run to the store for **quick** relief from a bottle of Kaopectate. And then you call your friend a week or two later to see how he has been, and he says "I understand about the food, babe, but bubba, we 're still friends." Well, the **hip**, hop, the hippie to the hippie to the **hip hip** hop, you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat.

Bro, I got an ego. Yo, **talking** to me? No, oh. ' Cause Rob is in the front, E-Z Rock is on the backup. We 're not soft, so you better just slack up ' **cause** I 'm **cool**, calm, just like a breeze. Rock the mic with the help of E-Z Rock on the set, the music play. Only cut the records that I say. But that train keeps a rollin ' on down to San Antone. When I was just a baby, my mama told me, "Son, always be a good boy, don't ever play with guns." But I shot a man in Reno just to watch him die. When I hear that whistle blowin ', I hang my head and cry. Swing it! I bet there 's rich folks eatin ' from a fancy dining car. They 're probably drinkin ' coffee and smokin ' big cigars. Well I know I had it comin ', I know I can't be free, but those people keep a movin ' and that 's what tortures me. Hit it, Joe! Yee-haw! Well, if they freed me from this prison, if that railroad train was mine, I bet I 'd move it on a little farther down the line, far from Folsom Prison, that 's where I want to stay. And I 'd let that lonesome whistle blow my blues away.

It kills me not to know this, but I 've all but forgotten what the color of her eyes were, and her scars or how she got them. As the telling signs of aging, down a single tear is dropping through the valleys of an aging face that this world has forgotten. There is no reconciliation that will put me in my place, and there is no time like the present to drink these draining seconds. Seldom do these words ring true when I 'm constantly failing you. Or maybe we just can't break through until it disappears, so tell me now. Is this saying love, and how do we get out? ' Cause I don't know. Now that I got a girl, my ex-one Harlem spit. Told me to acknowledge her quick. She like, "Cam, stop fronting." "On that Dave Hollister tip. Come over, let 's smile and sip." "I 'm like, "Ma, I 'm **sick**." "I promise you that. Usually I have a problem with chicks. Why? They all say I 'm fronting and rich, but nah, Boo-boo 's real. High heel Doobie feel. Plus got them Gucci nails, uh. You a cutie, still. And this my down girl too, ain't no groupie deal. We left the movies with Uzi Suzuki wheels to the Jacuzzi. I tell you my Boo-boo 's real. I mean she do be winning, Louis spinning. Go to the crib, she got the Gucci linen. I see Boo-boo grinning. She looked and said, "Cam, I know that you be sinning, now." "I 'm a changed man, look at the Range, man. I got a whole new game plan." Looked and said, "That 's nothing but game, Cam." She was right, she was up in the Range, man. Dropped her off at the L, now flipping the cell. That 's right, I had to call up L. Yo L. What 's up? I hit. What else? Say word. And we got it on tonight. Hey mama. What 's up? Let 's slide. Here 's Wonder Mike, Hank, and Master Gee, The Sugarhill Gang! I said a hip, hop, the hippie, the hippie to the hip hip hop and you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat. Now what you hear is not a test, I 'm rapping to the beat. And me, the groove, and my friends are gonna try to move your feet. See, I am Wonder Mike, and I 'd like to say hello. To the black, to the white, the red, and the brown, the purple and yellow. But first, I gotta bang-bang the boogie-to-the-boogie, say up jump the boogie to the bang-bang boogie, let 's rock, you don't stop, rock the rhythm that 'll make your body rock. Well, so far you 've heard my voice, but I brought two friends along. And next on the mic is my man Hank. Come on, Hank, sing that song. Check it out! Well, I 'm the imp, the dimp, the ladies pimp, the women fight for my delight, but I 'm the Grandmaster with the three MCs that shock the house for the young ladies. And when you come inside into the front, you do the Freak, specify, do the Bump, and when the sucker MCs try to prove a point, treacherous trio, oh, with the serious joint, from sun to sun and from day to day, I sit down and write a brand new rhyme. Well, they say that miracles never cease, I 've created a devastating masterpiece. I 'm gonna rock the mic ' til you can't resist. Everybody! I say it went like this, when I was coming home late one dark afternoon, reporter stopped me for an interview. She said she 's heard stories, she 's heard fables that I 'm vicious on the mic and the turntable. This young reporter I did adore, so I rocked a vicious rhyme like I never did before. She said,"Damn, fly guy, I 'm in love with you. The Casanova legend must have been true."I said,"By the way, baby, what 's your name?"She said,"I go by the name of Lois Lane. And you can be my boyfriend, you sure there can, just let me quit my boyfriend called Superman."I said,"He 's a fairy, I do suppose, flying through the air in pantyhose. He may be very **sexy** or even cute, but he looks like a sucker in a blue and red suit."I said,"You need a man who 's got finesse and his whole name across his chest. He may be able to fly all through the night, but can he rock a party ' til the early light?

He can't satisfy you with his little worm, but I can bust you out with my super sperm."I go do it, I go do it, I go do it, do it, do it! And I 'm here, and I 'm there, I 'm Big Bank Hank, I 'm everywhere! Just throw your hands up in the air and party hard like you just don't care! Let 's do it! Don't stop, y'all! A tick-a-tock, y'all! You don't stop! Go hotel, motel, and what you gonna do today? I 'm gonna get a fly girl, gonna get some spank and drive off in a deaf OJ. Everybody go hotel, motel, Holiday Inn! You see, if your girl starts acting up, then you take her friend. I say,"Skip, dive, what can I say? I can't fit them all inside my OJ, so I just take half and bust them out, I give the rest to Master Gee so he can shock the house."I said a M-A-S, T-E-R, a G with a double E. I said I go by the unforgettable name of the man they call Master Gee. Well, my name is known all over the world by all the foxy ladies and the pretty girls. I 'm going down in history as the best rapper that ever could be. Now you 're feeling the highs and you 're feeling the lows, the beat starts getting into your toes. You start popping your fingers and tapping your feet, and moving your body while you 're sitting in your seat, and then damn, you start doing the freak, I said bam, right out of your seat, then you throw your hands high in the air, you 're rocking to the beat like you just don't care, you 're rocking to the beat without a care, with the sure-shot MCs for the affair. Now I 'm not as tall as the rest of the gang, but I rap to the beat just the same. I got a little face and a pair of brown eyes, all I 'm here to do, ladies, is hypnotize. I sing on and on and on and on and on, the beat don't stop ' til the break of dawn. I sing on and on and on and on and on, like a hot buttered pop, da pop-pop, pop-pop, dibbie-dibbie pop, da pop-pop, pop, you don't dare stop, come alive, y'all, gimme what you got. I guess by now you can take a hunch and find that I am the baby of the bunch, but that 's okay, I 'll still keep it strong, ' cause all I 'm here to do is just wiggle your behind, sing on and on and on and on and on, the beat don't stop ' til the break of dawn. Sing on and on and on and on and on, right rock, y'all, get on the floor, I 'm gonna freak your head, I 'm gonna freak you there, I 'm gonna move you out of this atmosphere, ' cause I 'm one of a kind and I 'll shock your mind, I put the tick-tick-tick in your behind. I said 1, 2, 3, 4, come on, girls, get on the floor, come alive, y'all, gimme what you got, ' cause I 'm guaranteed to make you rock. I said 1, 2, 3, 4, tell me Wonder Mike, what are you waiting for? I said a hip, hop, the hippie to the hippie to the hip hip hop, and you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat. Skiddlee-bee-bop, we rock Scooby-Doo, and guess what, America, we love you. ' Cause you rock and you roll with so much soul, you can rock ' til you 're hundred and one years old. I don't mean to brag, I don't mean to boast, but we 're like hot butter on a breakfast toast. Rock it out, a-baby-bubba, bop-bop-a-bubba to the boogie-the-bang-bang, the boogie-to-the-beat, beat, it 's so unique, come on, everybody, and dance to the beat. Have you ever went over a friend 's house to eat and the food just ain't no good? I mean the macaroni 's soggy, the peas are mush, and the chicken tastes like wood. So you try to play it off like you think you can by saying that you 're full, and then your friend says"Mama, he 's just being polite, he ain't ate a thing, that 's bull."So your heart starts pumping and you think of a lie and you say that you already ate, and your friend says"Man, there 's plenty of food,"so he piles some more on your plate. Well the stinky food 's steaming and your mind starts to dreaming of the moment it 's time to leave, and then you look at your plate and your chicken 's fully rotten into something that looks like cheese. So you say"That 's it, I gotta leave this place, I don't care what these people think. I 'm just sitting here making myself nauseous with this ugly food that stinks."So you bust out the door while it 's still close-still **sick** from the food you ate, and then you run to the store for quick relief from a bottle of

Kaopectate. And then you call your friend a week or two later to see how he has been, and he says "I understand about the food, babe, but bubba, we 're still friends." Well, the hip, hop, the hippie to the hippie to the hip hip hop, you don't stop the rock it to the bang-bang boogie, say up jump the boogie to the rhythm of the boogie, the beat.

Good evening, ladies and **gentlemen**. And I shall do for you first a song that I first recorded, number one, it was a fairly nice hit, and it went quite high in the American charts. The title of it is "Maybellene". Oh, Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. As I was motivatin ' over the hill, I saw Maybellene in a Coup de Ville. Cadillac rollin ' on open road, nothing outrun my V8 Ford. Cadillac doin ' about ninety-five, bumper to bumper, side by side. Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. Cadillac pulled up to a hundred and four, Ford got hot, wouldn't do no more. Clouds got dark, started to rain, blew my horn for the passing lane. Rain water blowin ' all under my hood, but I knew I was doing my motor good. Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. Ow! Oh, Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do. Motor cooled down, the heat went down, that 's when I heard that highway sound. Cadillac sittin ' like a ton of lead, hundred and ten half a mile ahead. Cadillac look like sittin '

still, and I caught Maybellene at the top of the hill. Maybellene, why can't you be true? Oh, Maybellene, why can't you be true? You started back doing the things you used to do.

On May 31st, 1958, here in the Little Theater, a man appeared to sing a song called "Splish Splash". A great deal has happened since that time. Ladies and **gentlemen**, here is Bobby Darin! Somewhere beyond the sea Somewhere waiting for me My lover stands on golden sands And watches the ships that go sailing Somewhere beyond the sea She 's there watching for me If I could fly like birds on high Then straight to her arms I 'd go sailing It 's far beyond a star It 's near beyond the moon I know beyond a doubt My heart will lead me there soon We 'll meet beyond the shore We 'll kiss just as before Happy we 'll be beyond the sea And never again I 'll go sailing I know beyond a doubt My heart will lead me there soon We 'll meet, I know we 'll meet Beyond the shore We 'll kiss just as before Happy we 'll be beyond the sea And never again I 'll go sailing No more sailing So long, sailing Bye bye, sailing All right, hold on a half a second. Bobby? Thank you. I mentioned to the folks that the first time you ever appeared here in the Little Theater was on May 31st, 1958 and a lot had happened since then. I 've read a lot about you and I 've heard a lot of things said about you. Have you changed at all since then? Richard, I don't think I 've changed. I might have put on a little weight. I call I always call him He used to call me Sir Robert, and we called him Sir Richard back. But the I know a lot of people have said that I 've changed and I guess to a lot of intents and purposes, it 's kind of true. I only feel that as a performer, I must entertain the people that I work to no matter if they 're 14, 12, 35, or 105. And that 's my first love. How many 105 year olds have you entertained? Not too many, but I 'm getting near there myself, I 'll tell you. World 's oldest teenager, I think. But this is my attitude and I love to perform, and that 's more important than anything else in the world. Let me put you to work. You want to get set for a second? Yeah.

Well, we were lucky that year because the picture won, and of course, Born Free was the Academy Award winner, too, so. Let 's talk about some of Roger Williams ' other hits. Hey, you had a big hit series that year, too. Well, it was **Born** Free, obviously. Yeah, that brought back some fond, fond memories. Other Roger Williams tunes that were right up there... Well, we start out with Autumn Leaves. That 's right. That was way back in 1955. Anybody alive that remembers that? That goes back. Yeah. Yeah. You 've got a new album. Yes, I do. It 's called Today My Way. And in it, we do Stevie Wonder, we do Wham!, we do Tina Turner, Lionel Richie. You just go down the line. Yeah, great music to listen to. Well, you know, Gary, you have to stay up with the times, that 's for sure, or you get left behind. Yeah. Thank you, Roger, for being a part of this tonight. Roger Williams!

years. I know it 's been a few years, but Hollywood finally caught on. That 's it. Your favorite group is in the movie business. What 's going on in there? Music. What kind of music? Dancing, rock and roll. Huey. This is the place. I got to get in there. Keep an eye on my machine. Don't **touch** anything, I 'll be right back. And I know it 's a good song, and I mean, it 's got to be a good movie, they even got jackets. Gonzo, show them the jacket. Check this out, for real. Here it is, the moment you 've been waiting for, from the big smash hit movie, our latest single, The Power of Love. The power of love is a curious thing. Make a one man weep, make another man sing. Change a hawk to a little white dove. More than a feeling, that 's the power of love. Tougher than diamonds, rich like cream. Stronger and harder than a bad girl 's dream. Make a bad one good, make a wrong one right. Power of love 'll keep you home at night. You don't need money. Don't take fame. Don't need no credit card to ride this train. It 's strong and it 's sudden and it 's cruel sometimes, but it might just save your life. That 's the power of love. That 's the power of love. First time you feel it, it might make you sad. Next time you feel it, it might make you mad. But you 'll be glad, baby, when you found that 's the power makes the world go round. And it don't take money, don't take fame, don't need no credit card to ride this train. It 's strong and it 's sudden and it can be cruel sometimes, but it might just save your life. They say that all in love is fair. Yeah, but you don't care. But you know what to do when it gets hold of you and with a little help from above, you feel the power of love. You feel the power of love. Can you feel it? Mm-hmm. You don't take money, don't take fame, don't need no credit card to ride this train. Tougher than diamonds and stronger than steel. You won't feel nothing till you feel, you feel the power, just feel the power of love. That 's the power, that 's the power of love. You feel the power of love. You feel the power of love. I muttered something underneath my breath, she studied the lines of my face I must admit to a little unease when she bent down to tie the laces of my shoes Tangled up in blue She lit a burner on the stove and offered me a pipe "I thought you 'd never say hello," she said, "you look like the silent type" And she opened up a book of poems and handed it to me Written by an Italian poet from the thirteenth century And every one of them words rang true and glowed like burning coal Pouring off of every page like it was written in my soul for me and you Tangled up in blue I lived with them on Montague Street in a basement downstairs There was music in the cafes at night and revolution in the air And he started into dealing with slaves and something inside of him died She had to sell everything she owned and froze up inside And when it finally bottom fell out, I became withdrawn The only thing I knew how to do was to keep on keeping on like a bird that flew Tangled up in blue So now I 'm going back again, I got to get to her somehow All the people we used to know, they 're an illusion to me now Some are mathematicians, some are carpenters ' wives Don't know how it all got started, don't know what they 're doing with their lives But me, I 'm still on the **road**, heading for another joint We always felt the same, we just saw it from a different point of view Tangled up in blue

Sing along with me all the way through if you want to, I don't care. Long, long time ago I can still remember how that music used to make me smile. And I knew if I had my chance That I could make those people dance And maybe they 'd be happy for a while. But February made me shiver With every paper I delivered. Bad news on the doorstep ; I couldn't take one more step. I can't remember if I cried When I read about his widowed bride, But something touched me deep inside The day the music died. So, bye-bye, Miss American Pie. Drove my Chevy to the levee, but the levee was dry. And them good old boys were drinkin ' whiskey and rye Singin ' , "This 'll be the day that I die. This 'll be the day that I die." Did you write the Book of Love And do you have faith in God above If the Bible tells you so? Now, do you believe in rock and roll? Can music **save** your mortal soul? And can you teach me how to dance real slow? Well, I know that you 're in love with him ' Cause I saw you dancin ' in the gym. You both kicked off your shoes. Man, I dig those rhythm and blues. I was a lonely teenage broncin ' buck With a pink carnation and a pickup truck, But I knew I was out of luck The day the music died. Here we go! I started singin ' , "Bye-bye, Miss American Pie. Drove my Chevy to the levee, but the levee was dry. Them good old boys were drinkin ' whiskey and rye Singin ' , "This 'll be the day that I die. This 'll be the day that I die." "Now, for ten years we 've been on our own And moss **grows** fat on a rollin ' stone, But that 's not how it used to be. When the jester sang for the king and queen In a coat he borrowed from James Dean And a voice that came from you and me. Oh, and while the king was lookin ' down, The jester stole his thorny crown. The courtroom was adjourned ; No verdict was returned. And while Lenin read a book on Marx, The quartet practiced in the park, And we sang dirges in the dark The day the music died. We were singin ' , "Bye-bye, Miss American Pie. Drove my Chevy to the levee, but the levee was dry. Them good old boys were drinkin ' whiskey and rye Singin ' , "This 'll be the day that I die. This 'll be the day that I die." "Helter skelter in the summer swelter. The birds flew off with a fallout shelter, Eight miles high and fallin ' fast. It landed foul on the grass. The players tried for a forward pass, With the jester on the sidelines in a cast. Now, the half-time air was sweet perfume While the sergeants played a marchin ' tune. We all got up to dance, Oh, but we never got the chance! ' Cause the players tried to take the field ; The marching band refused to yield. Do you recall what was revealed The day the music died? Come on now! We started singin ' , "Bye-bye, Miss American Pie. Drove my Chevy to the levee, but the levee was dry. Them good old boys were drinkin ' whiskey and rye Singin ' , "This 'll be the day that I die. This 'll be the day that I die." So come on, Jack be nimble, Jack be quick, Jack Flash sat on a candlestick ' Cause fire is the devil 's only friend. Oh, and as I watched him on the stage, My hands were clenched in fists of rage. No angel born in Hell Could break that Satan 's spell. And as the flames climbed high into the night To light the sacrificial rite, I saw Satan laughing with delight The day the music died. He was hummin ' , "Bye-bye, Miss American Pie. Drove my Chevy to the levee, but the levee was dry. Them good old boys were drinkin ' whiskey and rye Singin ' , "This 'll be the day that I die. This 'll be the day that I die." "I met a girl who sang the blues And I asked her for some happy news, But she just smiled and turned away. I went down to the sacred store Where I 'd heard the music years before, But the man there said the music wouldn't play. And in the streets, the children screamed, The lovers cried and the poets dreamed, But not a word was spoken ; The church bells

all were broken. And the three men I admire most, The Father, Son and the Holy Ghost, They caught the last train for the coast The day the music died. And they were singin ',"Bye-bye, Miss American Pie. Drove my Chevy to the levee, but the levee was dry. Them good old boys were drinkin ' whiskey and rye Singin ',"This 'll be the day that I die. Look, I 'm really flattered you would call your daughter that And here 's an autograph for your brother, I wrote it on the Starter cap I 'm sorry I didn't see you at the show, I must 've missed you Don't think I did that shit intentionally, just to diss you But what 's this shit you said about you like to cut your wrists, too? I say that shit just clowning, dog, come on, how fucked up is you? You got some issues, Stan, I think you need some counseling To help your ass from bouncing off the walls when you get down some And what 's this shit about us meant to be together? That type of shit 'll make me not wanna meet each other I really think you and your girlfriend need each other Or maybe you just need to treat her better I hope you get to read this letter, I just hope it reaches you in time Before you hurt yourself, I think that you 'd be doing just fine If you relax a little, I 'm glad I inspire you, but Stan Why are you so mad? Try to understand that I do want you as a fan I just don't want you to do some crazy shit I saw this one shit on the news a couple weeks ago that made me sick Some dude was drunk and drove his car over a bridge And had his girlfriend in the trunk, and she was pregnant with his kid And in the car, they found a tape, but it didn't say who it was to Come to think of it, his name was... it was you.  because it happens just once, not very many times in a career, Nancy Sinatra
 has come up with the number one record in the country. And I 'm going to ask

 You keep saming when you ought to be changing. Now what 's right is right,

Now you put on your boots, and I 'll put on mine, and we 'll go walking, honey, any old time. Yeah! Congratulations. Congratulations on your record. You know when you were singing there, I was thinking years and years ago, when my daughter was going to UCLA, I called up your father, Frank, and asked him if he 'd go over to UCLA and appear at an affair for her. And Frank has often told me that she was standing there reading, you know, doing her lessons, standing under a lamp on the campus when he showed up. And now here tonight I 'm introducing you and... It 's all in the family, right? It really is all in the family. Let 's have a wonderful hand for a fine young lady. Come here. Come here, Nancy Sinatra. They will never forget me here. Ladies and gents, I give you The Love Below. 1, 2, 3, go! My baby don't mess around because she loves me so, and this I know for show. Uh! But does she really wanna, but can't stand to see me walk out the door? Don't try to fight the feeling ' cause the thought alone is killing me right now. Uh! Thank God for Mom and Dad for sticking two together ' cause we don't know how. Uh! Hey ya! Hey ya! Hey ya! Hey ya! Hey ya! Hey ya! Hey ya! Hey ya! You think you got it, oh, you think you got it, but "got it" just don't get it ' til there 's nothing at all. We get together, oh, we get together, but separate 's always better when there 's feelings involved. If what they say is "Nothing is forever", then what makes, then what makes, then what makes, then what makes, then what makes love the exception? So why, oh why, oh why, oh why, oh why are we so in denial when we know we 're not happy here? Y'all don't wanna hear me, you just wanna dance. Ooh-oh! Don't wanna meet your daddy. Ooh-oh! Just want you in my Caddy. Ooh-oh! Don't wanna meet your mama. Ooh-oh! Just want to make you... Ooh-oh! I 'm... Ooh-oh! I 'm... Ooh-oh! I 'm just being honest. Ooh-oh! I 'm just being honest. Hey! Alright, alright, alright, alright, alright, alright, alright, alright, alright, alright, alright, alright! Now ladies! (Yeah?) Now we gonna break this thing down in just a **few seconds**. Now don't have me break this thing down for nothing. Now I wanna see y'all on y'all baddest behavior. Lend me some sugar, I am your neighbor! Ah! Here we go! Dancing, rock and roll. Huey. This is the place. I got to get in there. Keep an eye on my machine. Don't touch anything, I 'll be right back. And I know it 's a good song, and I mean, it 's got to be a good movie, they even got jackets. Gonzo, show them the jacket. Check this out, for real. Here it is, the moment you 've been waiting for, from the big smash hit movie, our latest single, The Power of Love. The power of love is a curious thing. Make a one man weep, make another man sing. Change a hawk to a little white dove. More than a feeling, that 's the power of love. Tougher than diamonds, rich like cream. Stronger and harder than a bad girl 's dream. Make a bad one good, make a wrong one right. Power of love 'll keep you home at night. You don't need money. Don't take fame. Don't need no credit card to ride this train. It 's strong and it 's sudden and it 's cruel sometimes, but it might just save your life. That 's the power of love. That 's the power of love. First time you feel it, it might make you sad. Next time you feel it, it might make you mad. But you 'll be glad, baby, when you found that 's the power makes the world go round. You feel the power of love. Can you feel it? Mm-hmm. You don't take money, don't take fame, don't need no credit card to ride this train. Tougher than diamonds and stronger than steel. Once upon a time you dressed so fine Threw the bums a dime in your prime Didn't you? People 'd call, say,"Beware doll, you 're bound to fall" You thought they were all kidding you You used to laugh about Everybody that was hanging out Now you don't talk so loud Now you don't seem so proud About having to be scrounging Your next meal How does it feel? How does it feel? To be without a home? Like a complete unknown? Like a rolling stone? You 've gone to the finest school, alright, Miss Lonely But you know you only used to get juice in it Nobody 's ever taught you how to live out on the street And now you 're gonna have to get used to it You say you never compromise With the mystery tramp, but now you realize He 's not selling any alibis As you **stare** into the vacuum of his eyes And say,"Do you want to make a deal?" How does it feel? How does it feel? To be on your own? With no direction home? Like a complete unknown? Like a rolling stone? You never turned around to see the frowns On the jugglers and the clowns when they all did tricks for you Never understood that it ain't no good You shouldn't let other people get your kicks for you You used to ride on a chrome horse with your diplomat Who carried on his shoulder a Siamese cat Ain't it hard when you discover that He really wasn't where it 's at After he took from you everything he could steal? Oh, I 'm just a girl, all pretty and petite So don't let me have any rights Oh, I
've had it up to here The moment that I step outside So many reasons for me to
run and hide I can't do the little things I hold so dear ' Cause it 's all those little
things that I fear ' Cause I 'm just a girl, I 'd rather not be ' Cause they won't
let me drive late at night Oh, I 'm just a girl, guess I 'm some kind of freak '
Cause they all sit and **stare** with their eyes Oh, I 'm just a girl, take a good look
at me Just your typical prototype Oh, I 've had it up to here Oh, am I making
myself clear? I 'm just a girl I 'm just a girl in the world That 's all that you 'll
let me be Oh, I 'm just a girl, living in captivity Your rule of thumb makes me
worrisome Oh, I 'm just a girl, what 's my destiny? What I 've succumbed to
is making me numb Oh, I 'm just a girl, my apologies What I 've become is so
burdensome Oh, I 'm just a girl, lucky me Twiddle-dum, there 's no comparison
Oh, I 've had it up to Oh, I 've had it up to Oh, I 've had it up to here

She 's got a smile that it seems to me Reminds me of childhood memories Where everything was as fresh as the bright blue sky Now and then when I see her face She takes me away to that special place And if I **stare** too long, I 'd probably break down and cry Whoa, oh, oh, sweet child o ' mine Whoa, oh, oh, oh, sweet love o ' mine She 's got eyes of the bluest skies As if they thought of rain I 'd hate to look into those eyes and see an ounce of pain Her hair reminds me of a warm safe place Where as a child I 'd hide And pray for the thunder and the rain to quietly pass me by Whoa, oh, oh, sweet child o ' mine Ooh, oh, oh, oh, sweet love o ' mine Whoa, oh, oh, oh, sweet child o ' mine Ooh, yeah, ooh, sweet love o ' mine Where do we go now? Step one, you say we need to talk He walks, you say,"Sit down, it 's just a talk."He smiles politely back at you You **stare** politely right on through Some sort of window to your right As he goes left and you stay right Between the lines of fear and blame You begin to wonder why you came Where did I go wrong? I lost a friend Somewhere along in the bitterness And I would have stayed up with you all night Had I known how to save a life As he begins to raise his voice You lower yours and grant him one last choice Drive until you lose the road Or break with the ones you followed He will do one of two things He will admit to everything Or he 'll say he 's just not the same And you 'll begin to wonder why you came Where did I go wrong?
